Dr. D. EZHILARASI M.Tech, Ph.D.
Associate Professor

13.09.2022

TO WHOM IT MAY CONCERN

This is to certify that Mr. V.G.Yashwanth kumar (110120115), B.Tech Student of Instrumentation and Control Engineering Department, National Institute of Technology Tiruchirappalli, has successfully completed a two month internship on control of Lower limb Exoskeleton as a part of DST-SERB-POWER sponsored project under my guidance from 20th May 2022- 20th July 2022.

During the period of his internship, he understood the dynamics of the lower limb exoskeleton, selection of actuator and its control through microcontroller. As a team they successfully integrated a limb to the motor and achieved position control. I found him to be sincere, hardworking and inquisitive.

I wish him every success in his life and career

D. Ezhilarasi
